\*Member, FDA Drug Master File Committee 1996 - 2000.  
\*\*DEA Top Secret Clearance as the Agency Expert on Computerized Spectrometric  
Techniques

• **Publications:** 21 publications and presentations.

• **Awards:** Gordon Award from the Chemical Society of Washington, December 2002  
Team Excellence Award, 1999, Drug Master File Committee  
Team Excellence Award, 1999, Taxol chemistry presentation  
On-the-Spot Award Certificate, 1996  
Group Recognition Award, 1992, NDE/ANDA Chemists & Microbiologists  
Commendation Letter, R. Jerussi, 1991, work on Generic Drugs  
Who's Who in the East, Vols. 17 and 18  
Who's Who in Technology Today, 2nd Ed., Vol. 3

• **Education:**

1970 Graduate Certificate, Technology of R & D Mgmt, American University  
1966 Institute for Advanced Analytical Chemistry, Georgetown University, 6 Graduate  
credits.  
1964 B.S., Chemistry, University of Scranton, Scranton, PA.  
1960 Associate of Arts, Engineering, Keystone Junior College  
1958 Diploma, Dickson High School, Dickson City, PA

• **Professional Affiliations:**

American Chemical Society, 1964 - present  
Chemical Society of Washington, 1966 - present  
Councilor, American Chemical Society, 15 years, Elected position.  
ACS Committee Meetings & Expositions: Member 1999-present;  
Associate Member 1996-1998,  
Member, ACS Admissions Committee (seven years)
